

MICROPHONE STANDS "RSM" SERIES

METAL SYSTEM

• Sin dall' inizio della sua introduzione, questa linea di supporti per microfoni si è rivelata estremamente competitiva. Il suo successo risiede nell'uso di componenti tecnologicamente avanzati a prezzi competitivi, design creativo e stabilità. Tali supporti sono fabbricati con materiali attentamente scelti, come tutti i particolari scorrevoli in nylon e gli inserti in ottone: ciò assicura un'alta qualità di funzionamento nel tempo. Disponibili con finiture in nero opaco o cromate.

• This line of microphone stands has turned out to be highly competitive since its introduction. Its success is to be found in the use of high-tech components at competitive prices, creative design and stability. The stands are made with accurately chosen materials, such as all nylon sliding joints and brass inserts granting long lasting high quality. Available with matt black or chrome plated finish.
